The Denon Home Sound Bar 550

Engineered to deliver powerful Denon home theatre, 3D audio for your movies, and to work seamlessly within the Denon Home ecosystem for Hi-Res audio streaming and multi-room music enjoyment.

Dolby Atmos & DTS:X 3D Audio

Denon has been the leader in home theatre audio for decades, including deep expertise in 3D surround sound from Dolby Atmos and DTS:X. Theatre-grade processing for the Denon Home Sound Bar 550's six-driver array makes every movie feel huge. Add optional rear Denon Home speakers as surrounds to really open up the room.

Stream Music with HEOS Built-in

Millions of available songs. Thousands of Hi-Res audio tracks. Controllable with a single app. Stream the music of your choice, including your own digital library, directly to your sound bar or throughout your HEOS or Denon Home ecosystem.

Alexa Built-in

The Denon Home Sound Bar 550 can function as an Alexa controller, similar to an Echo or Dot, placing Alexa in the middle of your living room. Directly control Denon Home Sound Bar 550's volume, inputs, and audio levels with just your voice. Some Alexa features may not be supported.

Compact and clean

Big, bulky sound bars have their place in the world, but not under your TV. The Denon Home Sound Bar 550's compact 65cm footprint saves space without sacrificing performance. The clean, simple industrial design makes it suitable for any room.

HDMI eARC

eARC (enhanced Audio Return Channel) receives unprecedented amounts of audio data from your TV, including 3D Atmos and DTS:X audio signals. Get great Denon home theatre sound from the simplest setup.

4K, Dolby Vision, HDR10

Cinematic TV with stunning, nuanced contrast, detailed imaging, and brilliant colours and depth. Supports 4K televisions for video as detailed as its sound.

Control at your fingertips

When your hand gets close, the on-speaker control panel lights up, allowing for easy control including volume adjustment, play/pause, muting Alexa, and the ability to skip or restart songs without using the app.

Sophisticated driver arrangement

The unique 4.0, six-driver arrangement offers everything you need for great 3D surround sound without taking up too much space under your TV. A combination of premium 19mm soft dome tweeters, 55mm full-range drivers, and 50mm x 90mm passive radiators create balanced, powerful, detailed sound.

Wireless Surround Sound with Denon Home Speakers

Optional Denon Home 150, 250, or 350 (or any HEOS speaker) can be paired as dedicated rear speakers, creating dynamic Denon surround sound all around you. If you're looking for even more bass in your home theatre, connect a wireless Denon DSW-1H subwoofer.

Simple Wireless Setup for Quick Enjoyment

Connect to the TV, connect to a power outlet, and use the HEOS app to set up the Denon Home Sound Bar 550 on your home Wi-Fi network. You're done.

Works with your TV remote

The Denon Home Sound Bar 550 has most of the leading television remote control codes built-in, so you can control the sound bar with your TV's remote.

Compatible with HEOS Built-in Products

The Denon Home Sound Bar 550 syncs with your current Denon AV receiver, Hi-Fi system, HEOS or Denon Home speakers with HEOS Built-in to expand the way you enjoy music in your home.
